TADAWY DAR KHANA!

CONTRACT

'Tadawy dar Khana' is a home healthcare service for easing the life of Afghans while having patients in the family but no facility, ability and safety to visit the hospitals. 'Tadawy dar khana' started its work officially from October 2020 with the experienced professionals from Physiotherapy, Midwifery and nursing to serve the nation with their medical cares at their safety zones (homes). The Corona Virus pandemics taught us to care those oldest, vulnerable, and ill the most. That is how 'Tadawy dar Khana' came into being, with the aim of bringing peace of mind and comfort to the family members, to not worry about their patients at any era with any amenity.

This contract is entered between Harima Razban, (holding National ID No. 931062) the founder of 'Tadawy dar Khana', and Mr./Ms. _____, (holding National ID No. _____), the Service Provider.

The purpose of this Contract is to set out the terms of services to be provided by the service provider to the patients or clients generally known as "Tadawy dar Khana".

In consideration of the mutual promises and other valuable consideration exchanged, the Parties hereby agree and contract as follows:

- a- Authorization, the Service Provider is granted the authority to provide Tadawy dar khana as needed for the clients and as per their prior requests,
- b- Term, this grant of authorization to provide Tadawy dar Khana shall be effective from 1st October 2020, for a period of three months.
- c- Termination, Either party on giving a written notice of 20 days, or by clients' documented complains and/or any harm due to the treatments may terminate it. As well as, any unethical act of the Service Provider with the clients (no matter sexual, mental, or physical), plus failure to abide the principles expressed in this contract may all last in a termination of employment.
- d- Licensing, this Service Provider warrants that, he/she is licensed in the state of Afghanistan to provide the medical services as mentioned in the contract. Further, any employee or representative of the service provider performing

- services under this Contract is licensed in the country as Certified Nursing Assistance and is current on all training and certifications.
- e- Description of Services, the Service Provider shall provide a certified Nursing assistant/ physical therapy/ midwifery to attend by the patients.
 - f- Formality, the Service Provider is obliged to be well dressed and well equipped with the profession before entering patient's home. Meanwhile, he/she is obliged to fill in and share with the team the forms for Service Provider and Service Receiver before starting the actual treatment to assure the appropriate medication for the appropriate person, as well as to guarantee the safety of both side.
 - g- Agreement, the service provider agrees on the 30% of the total fees and charges, in the mean time, according the need and the turn of the employees, accepts overtime working.
 - h- Any further tasks assigned by the responsible dignities would be granted.
 - i- Signature
